

OTRO VINO 2022 KAZBAR

Otro Vino = other wine. Adventurous, creative, exotic, and explorative hand-crafted wines.

KAZBAR (noun) The crews' slang for Karridale, deep south Margaret River. Borrowed from 70's punk band The Clash "Rock the Casbah" for absolutely no reason.

Vintage 2022

What can we say, 2022 was a winemaker's dream. Perfect conditions allowed us to hand pick all our premium whites without any major difficulty. The warm weather provided fast ripening and a small picking window to ensure the perfect citrus based flavour profile we are chasing in all white varieties.

Winemaking

Old school, skinsy and wild, whole berries fermented wild in open bins, foot stomped and pressed to big old barrels for 3 months. No additions. Stirred not shaken for extra mouthfeel. Unfined, unfiltered, a little bit cloudy.

Taste

Savvy B, but not as you know it. A fusion of fruit deliciousness, hints of lime with a splash of lychee, finishing with some musky goodness. Texture, grip and tension with a luscious feel... Rock the Kazbar.
