

HERITAGE WINES

2018 Barossa Shiraz

Aroma

This flavoursome wine has intense colour, showing loads of syrupy blackberry & spice on the nose.

Palate

The palate is full-bodied, with toasty oak & sweet fruit in good harmony.

Location

This Shiraz was made from 100% Shiraz grown at Marananga & Greenock, both areas renowned for producing quality Shiraz grapes.

Twelve months maturation in American oak barriques has added a subtle depth to the varietal characters.

Already drinking beautifully, this wine will reward with further cellaring & is ideally suited to roast lamb, rare rump steak.
