

HERITAGE WINES

Cabernet Sauvignon

Palate

The Cabernet Sauvignon is a blockbuster of a wine with rich dark fruit and balanced soft oak tannins, produced from 12 months ageing in American oak barriques.

Location

The grapes for this wine were grown by our neighbours, Peter & Anita Frazer, whose low-yielding vineyard produces fruit of intense richness & varietal character.

This is definitely a wine to cellar for a number of years but for now, it is seriously easy drinking.
