

HERITAGE WINES

2015 Semillon

Semillon is one of the truly great white varieties of the Barossa Valley.

Aroma

The nose shows citrus/lime characters with just a hint of oak.

Palate

The palate displays distinctive fresh lemony Semillon flavours with good weight and an impressive dry finish.

Location

Our Semillon is sourced from a vineyard 4 km north of our winery at Kalimna.

This wine is bottled with a stelvin closure to seal in the freshness & aromatics without the risk of cork taint.

This wine is an excellent mouth-filling drink that is an ideal accompaniment to food, in particular, veal, chicken & fish.
