## MR. MICK GRENACHE 2021

This un-oaked style, born in the south-east of France and popular world-wide, continues the Mr. Mick philosophy of bringing innovative winemaking concepts to our Australian consumers.

This attractive Grenache is an ‘easy drinking’ fruit forward wine that creates interest and satisfies many tastes. It is made to suit a broad array of cuisine and drinking environments, light in style with juicy and savoury red berry fruit, a hint of varietal Grenache spice and soft, silky natural tannin.

### Variety:

Grenache

### Vineyards:

Rogers Tim Adams and Pam Goldsack

Alcohol: 13.5%

### Winemaking:

Youthful Grenache vines planted on our rich-soiled Rogers vineyard produce vibrant fresh red berry fruit characters. Harvested when the intensity of these flavours peaked, the fruit was fermented for a week on skins, then gently pressed with the hard pressings separated from the wine to keep tannin low.

This blend has not been aged in oak, maximising natural fruit expression. It is a wine best enjoyed anytime from the present to five years of age and will complement many foods. This style is particularly suitable for enjoying on its own right throughout the year. We recommend you chill slightly for maximum enjoyment during the warmer months.
