## MR. MICK PINOT GRIGIO 2022

Mr. Mick Pinot Grigio follows the core philosophy of our range of wines, quite simply an ‘easy-going’ wine that creates interest and satisfies many palates.

Like most Italian varieties, Pinot Grigio is a versatile variety and therefore is also suited to a broad array of cuisine.

The 2022 ripening period was steady and relatively cool, allowing for development of maximum fruit expression. The wine shows vibrant ripe pear and yellow peach aromas and flavours and a well-balanced generous texture; modelled in the classic Italian style, with just a touch of fruit sweetness backed by fresh acidity and a lengthy punch of fruit flavour.

### Variety:

Pinot Grigio

### Vineyards:

Thompson and Liebich families  
Sandow Blenheim

**Alcohol:** 12.5%

### Winemaking:

The climate and soils of South Australia enable us to produce Pinot Grigio very similar to the grape’s origin in Italy.

Fruit was harvested at peak flavour maturity from family-owned vineyards in the Riverland and Clare Valley.

The juice was separated from skins, cold settled and fermented for 14 days. A steady cool ferment ensures the maximum expression of varietal Pinot Grigio characteristics.

It is a great wine to enjoy on its own, or with a wide range of food, particularly spicy dishes or seafood.
