MR. MICK RIESLING 2022

In the late 1960's Clare Valley winemakers championed a style of Riesling that was rich in the mid palate, with low levels of residual sugar, and less acid than other Rieslings at the time.

Mr. Mick Riesling reflects this style, with a splash of fruit sweetness that makes it suitable for many different occasions and a broad array of cuisines.

Lemon and lime juice and citrus blossom aromas and flavours characterise this wine, made in the classic Australian style with just a touch of residual sweetness to balance the crisp natural acidity. It is a pristine wine with generous length of fruit flavour; a great example which reflects a stunning 2022 vintage with dry and cool ripening conditions, resulting in maximum varietal expression.

Variety:

Riesling

Vineyards:

Foxlee Tim Adams and Pam Goldsack

Heinrich Tim Adams and Pam Goldsack

Blenheim Alistair Sandow

Radford Ian and Tina Radford

Alcohol: 11.5%

Winemaking:

Riesling grapes were harvested at their peak flavour maturity from vineyards through the central and southern Clare Valley.

After destemming and must chilling, juice was separated from skins, clarified and fermented for 14 days. The use of 'free-run' juice only ensures continuation of the true Mr. Mick style- crisp, pure and fruit driven.

Even if you're not a Riesling fan, you'll enjoy this wine, trust us! It is a great wine to simply enjoy on its own, or partner with any fresh Australian seafood!
