

SAMUEL'S GORGE  
MCLAREN VALE AUSTRALIA

# 2021 GRENACHE

McLaren Vale with its windswept coast and its varied ancient geology is the perfect adopted home for Grenache. Here at Samuel's Gorge, we have expertly blended the fruit from five different vineyards to create this release. This layering of site and flavour allows us to showcase this signature grape to the very best of the winemakers' ability.

The 2021 Grenache is fresh and incredibly perfumed. It has playful notes of dried orange, raspberry and sherbet, grounded by the more earthy scent of vanilla pod and olive leaf amaro.

With lovely length and texture, this is a layered, complex wine that will continue to reveal its secrets with each sip.

Enjoy a bottle of this with freshly caught King George Whiting, cooked on open flame and served with whatever is seasonal.

*Time in tomb: 10 years*
