

2020 Tim Adams Shiraz

Clare Valley Shiraz selected from premium vineyard sites has produced a wine with strong regional and varietal definition. This sophisticated, elegant wine has a vibrant deep purple hue with aromas and flavours of blackcurrant, raspberry and ripe cherries. Further complexity is built through 24 months of American oak maturation contributing vanilla creaminess and dark chocolate notes. The palate is full and soft, with flavours of small berry fruit and spice complemented by toasted oak. The wine has good length, finishing with silky, structured tannin.

This graceful Clare Shiraz has power and finesse which makes it both approachable now and worthy of keeping for up to 10 years. We make our wines naturally and therefore this wine may form a harmless crystalline deposit, so recommend decanting prior to serving.

Winemaking

The growing season leading in to the 2020 vintage was warm and dry with little rainfall, yields were low and berries small. As a result, our Shiraz shows a real concentration of vibrant colour, complex flavour and robust tannin structure. Components of this blend were fermented separately on skins to dryness before pressing, with only selected softer pressings returned to the wine.

The individual batches spent 24 months in a combination of two and three year old American oak barrels. A further time in stainless steel tanks allowed for softening of oak tannin before blending, fining and bottling.

Alc: 14.8% v/v
