

SWELL SEASON

Margaret River, Western Australia

2020 Syrah

Alcohol: 13.0%

TA: 6.72

pH: 3.46

VINEYARD NOTES:

22 year old vines, growing on granite soils, sheltered from the strong south and westerly winds this is the earliest block to ripen. This block of Syrah shows exceptional balance and naturally crop low. Hand picked. 3.6tons/ha.

HARVEST DATE: 18 February & 9 March, 2020

WINEMAKING NOTES:

25% whole-bunch fermentation, matured in 15% new French oak for 10 months.

VINTAGE NOTES:

A warm dry spring lead into a dry summer. The ideal growing conditions lead to one of the earliest harvests on record. The low yields across all varieties made for early maturity and wines of great concentration.
